Command	Description
\$50	Donates \$50 to your church. Users can type any amount; the dollar sign is optional (e.g. \$50 and 50 both work).
give \$50	Same as above.
give	Your online giving number will respond asking how much you'd like to give. Telling people to text 'give' to your number can be a more succinct way to communicate text giving.
\$50 weekly	Sets up a recurring gift of \$50 each week. Frequency options are 'weekly', 'biweekly', 'monthly', and 'yearly'.
refund	Refunds the previously given contribution. <sup>1</sup>
update	Allows donor to update their payment method or recurring gift. Your text giving number will respond with a link where users can make these changes. <sup>2</sup>
unlink	Unlinks a user's phone from the text to give system.
commands	Provides the user with a list of the available text commands.

<sup>1</sup> Donors can only refund their own gift with this command within 24 hours of giving the gift. If the previously given contribution started a recurring gift, the recurrence will also be canceled.

<sup>2</sup>You can only update recurring gifts via text when the recurring gift was established via text giving. To learn how to update non-text-originated recurring gifts contact Gloria Dei.
