

The weather may be trying to hide it from us, but summer is coming! Many of you will be traveling in the coming months, to the park down the street or around the world.

Jesus goes with us wherever we go, so you are all invited to pick up a Jesus Racer (1 per family please) or Flat Jesus from the basket on the Welcome desk to bring with you. On your travels, snap a picture of Jesus, then post the picture to your Facebook page with a caption of where Jesus went with you. Use the hashtag **#DeiOnTheGo**. If your privacy settings are set to “friends only”, remember to change the privacy settings for the post to “public” so that we can share it on Gloria Dei’s Facebook page. There will be a sticker on the bottom of your Jesus Racer or on your Flat Jesus with the hashtag if you forget.

You can search for #DeiOnTheGo on Facebook to see where your friends have visited and ask them about it the next time you’re in worship together.

If you’d like Gloria Dei to share your picture on our Facebook page, but you don’t have a Facebook account or you can’t figure out how to change the privacy setting on the post, you can email the pictures to lara.kvale@gloriadei-sd.org with information about where you took the picture and we’ll share it on the GloriaDeiSD Facebook page for you. Happy travels and see you in worship!
